EDITORS CORNER:

Hi everyone, and HAPPY NEW YEAR.

Since there was no general meeting in December, I have no staff reports, but I decided that you needed a newsletter anyway, so this will be my version of a Special Edition.

This issue will be for your entertainment only, so if you are not interested, feel free to delete, but please do not send me any criticisms, because I will also feel free to delete.

We've just started a brand new year, and I hope that our club will flourish and grow, and that you will continue to give your support, as you have in the past. I hope that more of you will participate in club events, such as monthly meetings, and especially our annual Spring Round-up, and will step up and volunteer wherever and whenever you are needed.

Our first general meeting for 2009 will be on January 27th, at Alfy's Pizza in Lynnwood. I hope we have a huge turnout.

Nancy

PRESIDENTIAL PONDERINGS:

Hi Mopar Fans,

Happy New Year. I'm having fun in the sun in Huntington Beach, California. The weather is great.

I'd still like to fill the empty positions on the staff, like Historian. Don't forget to renew your membership by the next general meeting, January 27th.

I hope more members can help Dave Haberkorn with the Spring Round-up. This should be a great show. We have a great place for this year's show.

So, in closing, we need to increase our membership, and make this a great year.

See you at the meeting.

Your Pres. Eldon

NEWS ARTICLE:

Here is an article about the History of Dodge. It was submitted by a fellow club member, for me to share with you. It's very long, so I am presenting it in this manner, to save space. It's well worth the time it takes to read it. Nancy

NEWS ARTICLE:

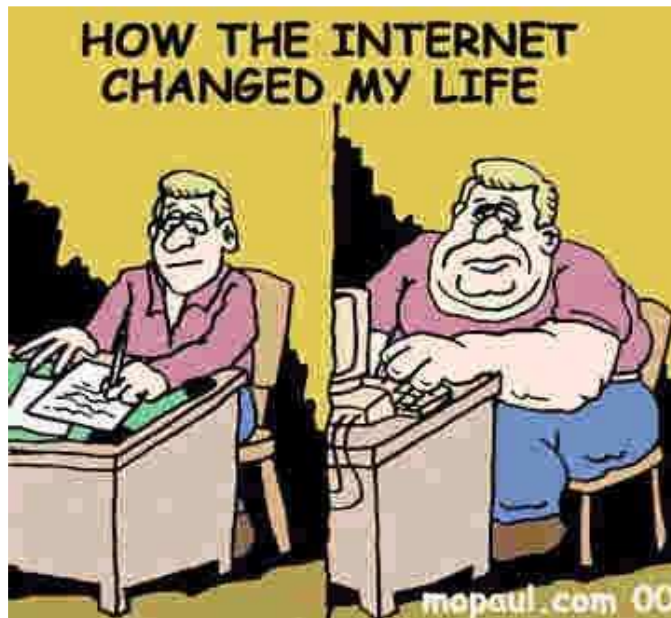

Here is a video of the most amazing car you will ever see. It's not a MOPAR, but it sure got my attention. Thank you to a former club member for sharing this with me. Nancy
